Thank You!
DEAR ANDREW & STORELIFE -
YOUR generosity is making
a difference across the U.S.
in church plantings. We are
so grateful for YOU!
Dave & Felicia

THANK YOU for your continued generous support of Western Church Planting Alliance! WCPA is a church-planting partnership working with local churches and districts to *discover, develop, and deploy church planters*. I directly coordinate western planting efforts, and lead the Church Planting leadership team across the country. Here are a few examples of what has recently taken place:

Puerto Rico Greenhouse Training

This past Spring, Pastor Carlos Velez translated our Greenhouse Environment materials into Spanish by Pastor Carlos Velez and presented them in Puerto Rico over two days. Here are some of the statements about the training in Puerto Rico:

- "Someone put words to the fire I feel in my heart..."
- "I am more sensitive to the need for new churches; I thought we didn't need more."
- "I have learned that we need a fresh vision from God, to change the status quo..."
- "My vision has been renewed. I need to go back and work on many things."

"Greenhouse" and "Preparing to Plant" Training

One of our goals is to establish a national network of Greenhouse Environments, which requires training in all regions of the country. We brought Greenhouse and Preparing to Plant training to Montana last month for the Rocky Mountain District. 35 leaders were present over the 4 days. In May I traveled to Atlanta, Georgia to work with Dr.

Reggie Screen and 30 church planting leaders from the Southeast region in order to launch Greenhouses.

Church Planter Coaching

We are taking our WCPA team through Coach Training with Gary Reineke of InFocus ministries, with the goal of having a strong coaching network throughout the west and beyond. When a church planter has an effective coach, their chances of success increases tremendously. One of the highlights of my role is the opportunity to coach Pastor Joe Campbell, who with his wife Carol and family are planting a church in Williston, North Dakota. Joe and I meet regularly. Their new church, Williston Alliance, is opening in the Fall. Joe and Carol are doing a terrific job and are already seeing people respond to the Lord through this new church!
